**印鑑登録**

**Seal Registration**

日本では、契約などの際に、サインの代わりに印鑑を使うのが一般的です。重要な契約書などに印鑑を押すときは、区役所で印鑑登録をしておき、印鑑登録証明書（この印鑑が本人のものであることを証明する証明書）を添付することで公的な証明を行うことができます。

In Japan, rather than using signatures, an *inkan* (personal seal) is usually used for many occasions, including for the conclusion of contracts. In addition, to conclude important contracts, you are often required to use a registered seal. After registering your seal at the city office, you can then obtain a certificate of seal registration. By attaching the certificate, you can use the registered seal officially.

**●印鑑登録の申請**

登録は、中央区に住民票のある15歳以上の方が申請できます。登録するには、本人が登録する印鑑と「在留カードまたは特別永住者証明書」を、区役所本庁舎またはお近くの特別出張所に持参してください。印鑑登録証（プラスチック製のカード）を交付します。印鑑登録手数料は50円です。

なお、本人以外が申請するときは本人が書いた委任状が必要になります。

また、登録できる印鑑には一定の条件がありますので、お問い合わせください。

**●Application for Seal Registration**

Registered residents in Chuo City aged 15 or older are eligible to apply for this registration. To register your seal, visit the City Office (either the Head Office or a special branch office) with the seal you intend to register and your residence card/special permanent resident certificate. When the registration process is completed, you will receive your seal registration card (a plastic card). The seal registration fee is ¥50. If someone else applies for this registration on your behalf, they must bring a power of attorney written by you. As a registered seal must meet certain required conditions, please contact the City Office before you apply.

**●印鑑登録証明書の交付**

印鑑登録証を提示して申請します。印鑑を持参する必要はありません。1通300円です。

**●Obtaining the Certificate of Seal Registration**

You can obtain copies of the certificate of seal registration by presenting your seal registration card. You do not need to bring the seal itself. The issuance fee is ¥300 per copy.
