### Health Checkups and Specific Health Guidance

Free specific health checkups focusing on metabolic syndrome are available once a year for Chuo City residents between 40 and 74 years old and enrolled in National Health Insurance. If this checkup reveals that you need to improve your lifestyle habits, you will be eligible for special health guidance.

A frailty checkup is also conducted for individuals 65 years old and above, and a health checkup for the elderly is conducted for individuals 75 years old and above.

Individuals eligible for these checkups will receive a checkup coupon and a list of participating medical institutions from the city.

#### Inquiries:

Health Checkup Subsection, Health Promotion Section (Chuo City Public Health Center) Tel: 3546-5397

## Cancer Screenings and Other Checkups

Local medical facilities contracted by Chuo City provide the agespecific health examinations noted below. Unless otherwise indicated, the city will send eligible residents a checkup coupon and a list of medical facilities where examinations are provided.

- Pulmonary test (lung cancer, etc.): Those 40 years of age and older
- Stomach cancer screening test: Those 35 years of age and older
  - \* A checkup coupon will not be sent to those between the ages of 36 and 39. If you wish to receive a test, please apply beforehand.
- Colon cancer screening test: Those 40 years of age and older
- Prostate cancer screening test: Males 55 years of age and older
- Hepatitis virus test: Those 40 years of age and older who have not undergone a hepatitis virus test provided by the city in the past
- Intraocular pressure test: Those 40 years of age and older, every 5 years
- Osteoporosis test: Even-aged women 40 years old and older
- Uterine cancer screening test: Even-aged women 20 years old and older; and odd-aged women 21 years old and older who missed the test the previous year
- Breast cancer screening test: Even-aged women 36 years old and older; and odd-aged women 37 years old and older who missed the test the previous year

Note for both uterine and breast cancer screening tests:

Checkup coupons are not sent to odd-aged women who missed the test the previous year or even-aged women 80 years old and older. If you fall within these groups and wish to take the tests, please contact the Chuo City Office.
